AVIGNON BY PLANE

Paris Charles de Gaulle

The easiest way is to arrive at Paris CDG airport, then there is a direct train (TGV) from CDG airport (this journey takes about 3 hours), but be careful while choosing your train. Be sure that it is direct from the airport to Avignon. (Attention: there are 2 main railway stations in Avignon: Avignon Central Station (close to the city center) and Avignon TGV station (a bit far from the center) ➔ see details at the end of this document)

It is also possible to head to Paris Gare de Lyon railway station, and take a train from there to Avignon (trains will be more frequent in this case). To get to Gare de Lyon, take the RER B (city train) direction “Paris” (all trains are going to the stop you want), and get off at the station “Chatelet-Les Halles”. Then, take the RER A direction “Noisy-le-Grand” to “Gare de Lyon”, it is one stop away and will take 3 min. The trip from the airport to the railway station “Gare de Lyon” should take about 55 min, and cost about 9€.
